

# BLUES SCALE

## Suggestions for Fingering

Slide

Slide

3 1---- 3 1 3 1---- 2 3

Detailed description: This line of music shows the first two octaves of the blues scale. The first octave starts on C4 and ends on C5, with a 'Slide' instruction above the first two notes. The second octave starts on C5 and ends on C6, also with a 'Slide' instruction above the first two notes. Fingering numbers are placed below the notes: 3, 1, 3, 1 for the first octave and 3, 1, 3, 1, 2, 3 for the second octave.
